Subject: Notification of Temporary Emergency Operation - WZZL

Dear Mr. Bickel:

The tower and transmitting antenna of WZZL(FM), FCC Facility ID # 73276, Reidsville, KY, were damaged in a severe thunderstorm late Friday 6/21/2019. The antenna was destroyed and the top 150' of the tower are on the ground.

Pursuant to the emergency authority granted under §73.1680, licensee Withers Broadcasting of Paducah LLC has commenced reduced-power emergency operations with 250W-H + 250 W-V from an existing tower in the area.

A formal Emergency STA application will be filed shortly.

Thank you,

-d
